River Publishing & Media Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English. Brand new Book. "Julian's remarkable gift of prophecy has been a huge blessing to many. His insight is matched by his love and tenderness. Many have experienced a fresh encounter with Jesus through his wonderful prophetic gift." - Terry Virgo Founder of the Newfrontiers family of churches, Bible teacher and author. Gaining Heaven's Perspective is more than simply another book offering more techniques and ways of hearing God. Rather, it is an invitation to enjoy the glorious experience of abiding in Jesus' presence and delighting in Him. It is about learning to live life from a heavenly perspective. Julian Adams demystifies the prophetic lifestyle and shows that it is every believer's heritage and privilege to hear God speak to them daily. This book will create a hunger for more of God's presence and to hear His voice more clearly. At a glance. Not a 'technique' book, rather a lifestyle. Demystifies the prophetic. You can hear God speak to you on a daily basis. About the Author Julian Adams established The Frequentsee Trust as a vehicle to help facilitate and raise up prophetic ministry in the Church. He is based at The King's Arms church in Bedford and travels internationally equipping the Church in hearing God's voice.
