## THE ESCORT'S TAXI RIDE 3: AN EROTICA SHORT STORY (STRAIGHT) (PAPERBACK)

Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Suzanne is an elite escort, one who has come to hate the job she used to adore. Mario is an ordinary taxi driver, one she had a passionate night with all those years ago. Yep, the one behind her change of heart. And also the one whose rejection sent both of them down the rabbit hole. Their lives are in danger. Their fate is in the hands of the one man that hates them both. But there is one thing he wants more than revenge: Suzanne. And he doesn't take no for an answer. o Suzanne Jim's mock incredulous tone sends another shiver down my spine, and I glance at his gun. His eyes follow suit, and his smile returns. With his other hand he forms a pistol and aims at my forehead. Then, after a heartbeat, he moves the fictional gun to lower regions, finally pointing at my pubic mound, and I gulp, waiting for the other shoe to drop. He sticks his tongue out, then fires the imaginative gun, and I swear my heart stops beating for a second. Mario uses my momentary lapse to push me backwards, shielding me with his body. I want to protest, I really do, but all I can do is cling to his muscular back with all my might and wait for this to finally be over. Deep down I still hope that Mario still has a few tricks up his sleeve. I'm not sure why, but I do. Of course, I might be placing him on a pedestal, because I. Well, because I love him. If it wasn't for the danger we are in, I probably would have never admitted that to myself, let alone him. Oh well, too bad that it's too little too late....
